CATEGORY OF REPAIR DEFINITIONS

Category 1 Effort – Induction inspection per SOW paragraph 3.1.1.1, Disassembly, Inspection and I level repairs per SOW paragraph 3.1.1.2, Documentation per SOW paragraph 3.1.1.3, and Assembled, Balanced & Floe checked per SOW paragraph 3.1.1.4.

Category 2 Repair – Blade repair per SOW paragraph 3.1.1.2.1.

Category 3 Repair – Hub/barrel repair per SOW paragraph 3.1.1.2.2.

Category 4 Repair – Dome repair per SOW paragraph 3.1.1.2.3.

NOTES:

1. All propellers meeting induction criteria will require Category 1 effort. Some propellers will require in addition to Category 1 effort, Category 2, 3 and/or 4 repairs. For example, one propeller may require Category 1 effort as well as Category 2 blade repair and Category 4 Dome repair; another propeller may require Category 1 effort as well as Category 3 Hub repair.
2. See Pages 5 and 6 of this solicitation for information pertaining to minimum and maximum order quantities.
